CORDEX Central America and South America Training Workshop on Downscaling Techniques Final Discussion

*June 25–27, La
Paz, Bolivia*

CORDEX Central America and South America Training Workshop on Downscaling Techniques

14:00 – 14:45: **Wrap-up on training activities**

- Define 5 groups and discuss key issues learned from the Training sessions.
- 20 minutes discussion
- One representative of each group present the results of each group discussion (3 minutes each).

CORDEX Central America and South America Training Workshop on Downscaling Techniques

14:45-16:50: Brainstorming activity

- **Added value of downscaling in a collection of regional phenomena**
- **Design of a collaborative regional research**

Brainstorming activity

- **14:45-15:00 Organize 5 groups focused on specific regional phenomena**
- **15:00- 16:20 Design possible collaborative research (mini project) highlighting added value of downscaling (both ESD and RCM)**
 - Research focus
 - Objective
 - Methods and data
 - Expected results
 - Time line
- **16:20-16:50 Presentation of the Group representative (5 minutes)**

Poster Awards

- ▶ Members of the Steering committee have undergone a difficult task in grading the participant's posters considering 1) Scientific quality; 2) Clarity and 3) Aesthetics of the display
- ▶ **Best Poster Awards for:**
 - Yaritza Gomez
 - Alan Jesus Garcia Rosales
- ▶ **Mention to outstanding poster presentations to:**
 - Daniela Osses
 - Maria Mercedes Poggi

Expected outcomes

- ▶ Capacity building on ESD to improve technical capabilities of researchers within the SAM/CAM regions 😊
- ▶ Collaborative coordinated research agenda on the added value of downscaling for regional phenomena over SAM and CAM 😊
- ▶ Knowledge exchange, networking modelling and user/impact community 😊 😊
- ▶ Increased networking and dialogue amongst scientists within the regional community 😊 😊 😊

CORDEX CAM-SAM

- ▶ Emailing list
cordex-lac@cima.fcen.uba.ar
- ▶ All presentations (oral and poster) will be uploaded at the CORDEX-2018 web site
<http://www.cima.fcen.uba.ar/cordex-2018>
- ▶ Photos taken during the Workshop will also be uploaded at the Workshop web site
- ▶ CORDEX Latin America and the Caribbean web page
<http://www.cordex-lac.org/>
- ▶ CORDEX South America web page under construction

Thank you very
much for being
here !
