

**CORDEX Central America and South America are organizing a follow-up Online Paper-Writing Workshop on Regional Climate Modeling. The workshop will take place on October 5 and 6 at 17 UTC.**

At the first online Paper Writing Workshop in November/December a number of collaboration groups consisting of students and early career researchers were formed. The groups choose a topic with focus on specific regional climate phenomena, outlined a work plan and time-line with the aim to submit a paper with the scientific results.
