Informations for the ‘*poster*’ presenters at the ‘6th Convection-Permitting Climate Modelling Workshop’

Hope you are fine.

The 6th Convection-Permitting Climate Modelling workshop is getting close and we would like to share some practical information regarding your ‘poster’ presentation with you.

For in person presenters, your poster will be displayed at the workshop venue during all 3-days in the same area where the coffee and lunch breaks will take place. The poster should be of vertical A0 dimensions (841 x 1189 mm). We will provide gear to mount the posters.

For virtual poster presenters, please send us a pdf of your poster, with a contact email and a 5 minutes video explaining the poster (not mandatory), one week prior to the workshop (deadline 31 August) to vi.cpcmw@cima.fcen.uba.ar. We will upload the posters to the workshop web page and with the provided email, authors will be able to receive questions and comments.

Hope to see you soon!

In the name of the organizing committee.
